

PARKING suggestions for 2017 CTI SRET Showcase and Reception
Thursday, Sept. 7, 5:00 pm, at UNC Charlotte's Atkins Library

The closest parking to Atkins Library is the **Cone Parking Deck**. Please arrive early and allow plenty of time to navigate new UNCC parking procedures -- and campus traffic.

Here are links to updated Visitor Parking procedures & options:

Visitor parking fees are \$5 for the first hour and \$2 for each additional hour.

Less expensive option for CTI Fellows: Order a [Virtual Parking Permit](#) for \$8/day at mypark.uncc.edu You need your UNCC ID# and your vehicle license plate number when you order this daily permit. When you park, you bring your new UNCC 49er ID card with the barcode with you in order to validate your permit if needed upon exiting a gated parking deck. Or you can park in a non-gated Visitor area if you don't have your ID with you.
