Implementing Common Core Standards

Common Core Standards:

- Key Ideas and Details
- CCSS.ELA-Literacy.RH.11-12.3 Evaluate various explanations for actions or events and determine which explanation best accords with textual evidence, acknowledging where the text leaves matters uncertain.
- Through their research project, students will demonstrate understanding of Key Ideas and Details in Common Core Standards. Their reports and presentations will be evidence.

Integration of Knowledge and Ideas

CCSS.ELA-Literacy.RH.11-12.7 Integrate and evaluate multiple sources of information presented in diverse formats and media (e.g., visually, quantitatively, as well as in words) in order to address a question or solve a problem.

- CCSS.ELA-Literacy.RH.11-12.9 Integrate information from diverse sources, both primary and secondary, into a coherent understanding of an idea or event, noting discrepancies among sources

Students will address Common Core Literacy standards by researching the topic and integration of information in report form and visual presentation relating to the unit topic.

CTE Objectives

Family and Consumer Sciences content is a complex set of knowledge and skills that builds human literacy and leads to quality of life for individuals and families. Human literacy is achieved in three ways:

1. (1) Individual empowerment – making informed decisions – e.g., evaluating reliability of information, analyzing pros/cons of choices, and applying information to novel situations.
2. (2) Life span development – focusing on skills and strategies for meeting human needs from such basic needs as food, apparel, housing, and safety to parenting, early childhood education, food technology and enterprise, personal finance, resource management, and interior design.
3. (3) Career preparedness – learning to access professional opportunities through employability skills, technical expertise, development of work ethic, lifelong learning, and skills for work-life issues.
